## This week at School

### Deputy Headteacher's message

The buzz of Feast Week is in the air, and we're excited to be celebrating what makes being part of the Mevagissey community so special. Feast Week has its roots in the Feast of St Peter, the patron saint of fishermen—an especially significant figure for our coastal village. For generations, St Peter has been honoured in Mevagissey, reflecting the importance of fishing to our history and way of life. Over time, Feast Week has grown into a much broader celebration of community spirit. It's a time when we come together to appreciate our shared values, traditions, and the strong sense of belonging that makes Mevagissey unique. We are incredibly proud to be part of such a caring and supportive community, where people look out for one another and truly value what it means to belong.

We've put together a handy table for your fridge to help you keep track of key information, times, and dates for next week.

We look forward to seeing you at the Fish Festival on Sunday!
